

About ITM

ITM is a privately owned biotechnology and radiopharmaceutical group of companies dedicated to the development, production and global supply of targeted diagnostic and therapeutic radiopharmaceuticals and radioisotopes for use in cancer treatment. We are developing a proprietary portfolio and growing pipeline of targeted treatments in various stages of clinical development addressing cancers such as neuroendocrine cancers or bone metastases. Our main objectives are to significantly improve treatment outcomes and quality of life for cancer patients through a new generation of Targeted Radionuclide Therapies in Precision Oncology. The headquarters are located in the heart of the research center of the Technical University of Munich (TUM).

We would like to fill the following permanent vacancy in a hybrid in Garching as soon as possible

Medical Affairs Manager (f/m/d)

Your role

- Contribute to medical and scientific strategy for the clinical development of ITM radiopharmaceutical

Your profile

- Master Degree/PhD preferred with a strong scientific and medical background

products, including pre-launch and launch activities

- Support execution of the Global Medical Affairs Plan, including omnichannel strategy, digital assets, congresses, symposia, sponsorships, and publications
- Develop and implement integrated scientific communication and publication strategies (abstracts, posters, manuscripts) with consistent scientific messaging
- Lead scientific content development and medical education activities at major international medical congresses
- Build and maintain strategic relationships with Key Medical Experts (KMEs) and facilitate advisory boards and scientific meetings
- Provide medical expertise across the full drug development lifecycle, including Safety and Pharmacovigilance support
- Ensure compliance with regulatory, ethical, and scientific standards (MLR review, GCP, promotional compliance)
- Manage external vendors and ensure rapid, compliant responses to emerging data and competitive intelligence

• At least 3 years of industry experience with a focus on pre-launch Medical Affairs activities in regional and global settings

• Scientific expertise in Oncology combined with solid knowledge of ICH-GCP and relevant regulatory and compliance guidelines

• Confident, hands-on manager with experience working cross-functionally (e.g., Regulatory, Compliance, Corporate Communications)

• Proven expertise in digital medical communications, including platforms such as Veeva CRM/Promomats and SEO/SEM fundamentals

• Excellent presentation and communication skills, with the ability to synthesize and present complex scientific data to expert audiences

• Fluent in business English

• Willingness to travel as required for business needs (e.g., medical congresses)

Our offer

- Exciting challenges in an up-and-coming and fast-growing company with a high degree of creative freedom
- An open working atmosphere in an international corporate culture with short communication channels
- Comprehensive onboarding programme
- Flexible working hours with home office options
- Attractive special payments
- Just a good salary? Not with us! We also offer you
 - Employee participation programme
 - Job bike or subsidised job ticket
 - Above-average contribution to the company pension scheme
 - Individually tailored further training programme (including German and English courses)
 - Health promotion programmes (e.g. EGYM Wellpass, subsidy for local fitness studio, sponsorship of sporting events, various lifestyle coaching sessions)

ITM is an employer that ensures equal opportunities. Qualified applicants are encouraged to apply and will be considered during the selection process regardless of gender, age, national or ethnic origin, religion or belief, disability, sexual orientation, gender identity, or any other characteristic protected under the German General Equal Treatment Act (AGG).

If you are a qualified individual with a disability or are otherwise covered under applicable law and are unable to apply through our online application process, you may request a reasonable accommodation. Please contact career@itm-radiopharma.com.

When you apply, please let us know your earliest possible starting date and your salary expectations. You can submit your CV in German and English in docx or pdf format.
