

## About ITM

ITM is a privately owned biotechnology and radiopharmaceutical group of companies dedicated to the development, production and global supply of targeted diagnostic and therapeutic radiopharmaceuticals and radioisotopes for use in cancer treatment. We are developing a proprietary portfolio and growing pipeline of targeted treatments in various stages of clinical development addressing cancers such as neuroendocrine cancers or bone metastases. Our main objectives are to significantly improve treatment outcomes and quality of life for cancer patients through a new generation of Targeted Radionuclide Therapies in Precision Oncology. The headquarters are located in the heart of the research center of the Technical University of Munich (TUM).

We would like to fill the following permanent vacancy in a hybrid working model in Garching as soon as possible

## **Manager Corporate Communications (f/m/d) - Befristet auf 2 Jahre**

## Your role

- Lead the execution of external communications across channels (e.g., LinkedIn, website, press materials)
- Create and tailor content for diverse formats and audiences, ensuring clarity and consistency
- Own and continuously improve internal communication formats, including town halls, leadership updates, and intranet content
- Plan, structure, and deliver clear messaging for internal audiences
- Manage digital channels and content platforms, ensuring timely and high-quality publication
- Monitor performance metrics and drive ongoing content and channel improvements
- Collaborate with internal stakeholders, agencies, and partners to align messaging and ensure smooth project execution

## Your profile

- 5+ years of experience in Corporate Communications, PR, or a related field
- Proven track record in managing internal and external communications, including media relations and content strategy
- Experience managing digital and social channels, including content planning and performance tracking
- Strong ability to manage workflows, advise stakeholders, and own communication strategies for specific areas (e.g., Internal Communications)
- Structured, proactive, and reliable working style, with a strong sense of ownership; experience in regulated industries or life sciences is a plus
- Ability to translate complex topics into clear, engaging, and audience-focused content
- Excellent communication skills in English and German, with confidence in working with diverse stakeholders

## Our offer

- Exciting challenges in an up-and-coming and fast-growing company with a high degree of creative freedom
- An open working atmosphere in an international corporate culture with short communication channels

- Comprehensive onboarding programme
- Flexible working hours with home office options
- Attractive special payments
- Just a good salary? Not with us! We also offer you
  - Employee participation programme
  - Job bike or subsidised job ticket
  - Above-average contribution to the company pension scheme
  - Individually tailored further training programme (including German and English courses)
  - Health promotion programmes (e.g. EGYM Wellpass, subsidy for local fitness studio, sponsorship of sporting events, various lifestyle coaching sessions)

ITM is an employer that ensures equal opportunities. Qualified applicants are encouraged to apply and will be considered during the selection process regardless of gender, age, national or ethnic origin, religion or belief, disability, sexual orientation, gender identity, or any other characteristic protected under the German General Equal Treatment Act (AGG).

If you are a qualified individual with a disability or are otherwise covered under applicable law and are unable to apply through our online application process, you may request a reasonable accommodation. Please contact [career@itm-radiopharma.com](mailto:career@itm-radiopharma.com).

When you apply, please let us know your earliest possible starting date and your salary expectations. You can submit your CV in German and English in docx or pdf format.
